WATER EXERCISE CLASSES – Winter 2

YMCA OF THE NORTHWOODS: February 25th - April 14th

“Come On In! The Water’s Fine!”

****Shower required before entering pool****

Aqua Up-Tempo

Aqua Up-Tempo challenges the beginner to advanced participant to work-out the entire body in water with a blend of high energy exercises and music.

Gentle Water Exercise

Gentle Water Exercise is designed for those who have Arthritis, Fibromyalgia, Parkinson’s, serious back problems or other conditions. Gentle water walking and range of motion exercises are done in warm, shallow water to help alleviate pain and extend range of motion.

Power H2O

Power H2O provides a high-intensity work-out that includes a combination of shallow and deep-water exercises to increase strength and endurance for the upper and lower body and core. A variety of equipment is used.

Water Exercise

Exercise your entire body without straining your back or joints. This class improves cardiovascular fitness, muscular strength, endurance, and flexibility.

Men's Water Exercise

Men's Water Exercise includes beneficial work-outs in the pool with a male instructor. This class is ideal for any man that wants to get a great workout in the pool.

Aqua Bootcamp

Aqua Bootcamp is an intense work-out in the water with weights, resistance water weights, jogger belts and other aquatic exercise equipment. This class is geared toward a moderate-advanced work-out.

Aqua Mashup

This class is a mashup of different types of aquatic exercise including tabata, jogger belts, Power H2O, aqua bootcamp and other aquatic exercises.

HOT TUB
is closed every
Monday for cleaning.
