

LEADERS IN TRAINING

the  **L.I.T.S**

Optional enrollment in our Leaders In Training program for youth ages 10-13. Leaders In Training (LITs) will have a fun summer developing their leadership skills and building self-confidence. Their skills will be used to help support YMCA Camp Counselors and interact with youth enrolled in our Day Camp program.

Youth interested in our LIT program must complete and participate in required trainings and commit to two of five days per week for six to twelve weeks throughout the summer. LITs are held to high standards and can be removed from the program if not meeting those standards.

Interested LITs can enroll on the YMCA Day Camp registration form by checking the Leaders In Training box and meeting the above requirements. An intake interview will be conducted. Space is limited.
