

Developing Good Technique

Home activities help develop good form or build stamina in a particular skill. When the skill has been mastered on land, it becomes easier to perform in the water.

1 Position

Lie on the floor on your side with arms and legs straight. Extend one arm in a glide position.

2 Kick Legs

Practice sidestroke kick by moving the top leg forward, the back leg backward, and snap both legs back to center.

3 Repeat

Do 10 kicks, rest, and repeat three times. Do this activity two to three times throughout the course of the swim lessons session.

Home activities should be performed under adult supervision.
