PLEDGES

BEQUESTS

A gift of cash or property made through a will or living trust ensures a tradition of giving that will continue after the donor's lifetime.

APPRECIATED STOCKS, BONDS, OR PROPERTY

An alternative to cash is a gift of appreciated property, such as securities. In most situations the full fair market value of gifts of appreciated assets is deductible. Additionally, taxes on capital gains are often avoided. Please consult with your financial and tax advisors for advice on maximizing and finalizing your campaign gift plans. An account transfers form is available upon request.

PLANNED OR DEFERRED GIVING

Charitable remainder trusts and charitable gift annuities are income plans that allow the donor to make a gift while retaining the income for his or her lifetime (or term of years) or for the lifetime of a named beneficiary. These methods of gifting should be discussed with your personal financial and tax advisors.
