Y Member Scholarships Provided to Individuals and Families

The YMCA relies on the generosity of our community to ensure that every individual, regardless of age, income or background, has access to the essentials needed to learn, grow, and thrive. We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health, and our neighbors.

By supporting the YMCA, you help guarantee that everyone, regardless of circumstances or ability to pay, can benefit from the YMCA's values-centered programs.

MEMBER IMPACT

“Through our children’s attendance at the Y, they have become more confident and self-aware. They have learned how their actions can affect others and have gained empathy and character skills. This has made a huge difference in our lives at home. The teachers constantly give us positive feedback about our kids and work with us on addressing any concerns. We always feel that our kids are not only accepted and understood for who they are, but that the staff likes our kids and wants them to be there. The Y made the difference for us.”
