

Middle School Enrichment Camp Weekly Themes

July 8-12: Immersed in Art

There are many ways to interpret the world around us. Spend this week exploring a variety of art mediums from clay to chalk and more and find new ways to express your inner artist. You will have time to work on a variety of projects and be given the opportunity to explore your interests through the lens of an artist. You never know what you can create until you try.

July 15-19: Game On

Let the games begin. From board games to video games, campers will spend the week exploring assorted topics around gaming. Whether you prefer a single player experience or a large group game there is sure to be something new to explore. Learn about a new game or expand your skills on an old favorite. Either way this week will have you saying: GAME ON!

July 22-26: Let's Get Cooking

On your mark, get set.... COOK! Learn the basics of knife safety, the importance of keeping a sanitized kitchen and discover your inner chef. Through hands-on learning slice, dice and chop your way through a week of flavor and discovery. Get creative through a variety of cooking challenges and see what you can make. Who knows, maybe you will be the next culinary wizard.

July 29-August 2: Ricochet Leader's Camp

When you *Ricochet*you are on the move. Full of energy. Unpredictable! You are ready for whatever comes your way. That is the sign of a true leader. In partnership with UW Extension, this one-week leadership experience is like no other. This exciting youth leadership program is designed to get you engaged and discover your inner leader. Make friends, get hands-on with activities, and develop your leadership potential.

August 5-9th: Snack Attack

Want a snack and don't know what to make? We can help! This camp will guide campers through a week of snacktastic adventures. Upgrade your favorite snacks or create new ones. Utilize healthy ingredients to recreate your favorite snacks. Take on the Pantry Challenge and create your own sensational snacks out of items you might find in most pantries. Collect your recipes and bring them home to recreate and share.

August 12-16: Immersed in Art: Week 2

Art is all around us all the time. Join us for another week of art exploration. Draw, paint, and create original pieces inspired by topics of your choosing. Find what inspires you and get creative! Whether you create with paint, clay or paper and pencil you will find a way to unleash your inner artist. Campers do NOT need to complete WK 1 of Immersed in Art to participate in this program.

August 19-23: Full STEAM Ahead

Engage in a week of activities centered around Science, Technology, Engineering, the Arts and Math. Discover your problem-solving capabilities as you complete challenges and learn concepts and ideas. Increase your knowledge and skills as you learn how to gather evidence and evaluate information to make decisions. Get to work and see if you are up to the challenge.
